FOLKLAW is a Somers based group of environmental volunteers. Our aim is to protect and enhance Koala habitat and indigenous flora and fauna of the Mornington Peninsula and Western Port Regions and to preserve existing Koala colonies.

FOLKLAW is involved in propagating plants, lending equipment and supporting other environmental projects.

Jennie Bryant the local Wildlife carer receives voluntary labour and money.

We have planted indigenous plants in Kennedy Rd Park, Kennedy Rd Track, Stone Reserve and Somers Foreshore.

Free plants are also grown and given to Somers Primary School, Somers Education Camp, Lord Somers Camp and interested people.

We have a yearly updated Memorandum Of Understanding with the Mornington Peninsula Shire to manage the Somers Koala Reserve by volunteer working bees and employing contractors. The Koala Reserve Boundaries are Campsie Court, Beach Hill Ave, Stanmore Ave and Parklands Ave.

Our Working bees are held at 9.30am on the last Sunday of every month at the Somers Koala Reserve. All ages welcome. Meet at the bottom of Campsie Court Somers (Melways ref. 193 K9). Tools and refreshments are provided.
