Hi all,

The annual A.G.M. for F.O.L.K.L.A.W. was held at 1 p.m. on the 22nd March 2015. at the Somers fire Brigade rooms. The room was provided free of charge by the firemen volunteers, thank you to them for letting us use the facility.

Results of A.G.M.

We would like to thank Steve Ainsworth for sharpening all the long handled bush loppers this was a very kind gesture.

1st March 8.30 am to 1pm .We provided the FOLKLAW equipment trailer to Somers Foreshore for the use by Parks Victoria and the residents of Somers with the clean up and weeding of the Somers Foreshore.

Eight more possum boxes have been purchased for the local Balnarring possum wildlife carer to use for injured native possums. These were purchased for the low price of \$25.00 each the money came from our general bank account into which your donations and membership payments are deposited.

Parks Victoria who are now in charge of Somers Foreshore Reserve requested that the Somers Foreshore Committee tools and equipment that FOLKLAW has been storing and maintaining on their behalf for the last 4 years be collected and stored at Coolart. This will now hopefully be the permanent storage place for their volunteers to use.
